POSTINGS OF ASSISTANT COMMISSIONERS.

Approval of His Highness has been accorded to the inclusion of the names of 14 Amildars in the list of officers eligible for appointment as Assistant Commissioners. (Vide list - Flag M)

2. The question of selection of officers for the several vacant charges may be now considered. The places to which officers have to be posted immediately are the following:-

2 Officers for the General & Revenue Secretariat.	(Vice Mr.M.N.Anandalwar who retired on 3rd Sep. 1945; and Mr.T.Shamanna who was recently appointed as Secretary, Radio Company.)
7 Officers for the post of District Development Officers.	(For seven Districts Officers have been posted already to Bangalore and Kolar Districts).
1 Officer to Mysore as Dist. Excise Officer.	(Vice Mr. S. P. Gunda Setty whose transfer to the Comptroller's Office for training was ordered sometime ago, but which it has not been possible to give effect to, till now, for want of officers.
10	

3. It is desirable that the changes to be effected should be the minimum necessary for the purpose. I would accordingly suggest for consideration that the first ten officers in the eligibility list may be posted as ~~suggested~~ indicated below:-

4. Mr. G. A. Naraya Setty, Personal Assistant to the Deputy Commissioner, Hassan, has requested for a transfer to a Sub Division on the ground that he has been out of the regular line for 8 years and wants to regain touch with regular work. He was a Treasury Officer & Special Land Acquisition Officer for some 2 years before he was transferred to the Survey Department in January 1941 where he remained for about 4 years. He has been posted to his present charge (Personal Assistant to the Dep'y Com'r, Hassan) only in May 1945 (ie., 9 months back) and it appears to be too early to give him a change now, especially as it is not desirable under present conditions to disturb officers in charge of Sub Divisions. I think he may continue for ~~the present~~ some time more, in his present charge. 7e G

5. Intimation was also received from the Residency, two days ago, that Mr. Louis D. Souza whose services had been lent to the Government of India, would be reverting from 1st March 1946. In case he is joining duty immediately here, a place will have to be found for him. Recently, a Probationary Assistant Commissioner (Mr. C.S. Seshadri) had to be posted to Shimoga under maternal training, District Treasury in the vacancy consequent on the appointment of Mr. M. S. Shankara Rao as Secretary of a Special Committee relating to the Tunga Project. Mr. D'Souza may be posted in that vacancy and the 7e Z

6 With reference to para 3 above, I have personally known all officers Except item 5, who has not worked under me any time. Mr Ramaswamy & Mr Hanumantappa may perhaps be thought of for the Secretariat later. Mr Chikkanarayana Swamy who is now PA to Chief Commandant will be useful from all accounts

8 Regarding District Development officers, I am inclined to consider that experienced Sub Division officers and more Senior officers would be useful. It is a case of Extracting work from Amildars and officers who have been recently promoted may not get that ready Cooperation from Amildars

NOTE—Contn. Sheet.

Serial No.

This is a very important aspect of the case that deserves consideration. Development work is not of a routine nature. It requires Energy, drive, imagination, knack for Coordination of Effort with local Govt officials and all these other Special qualities which go to make a successful Executive officer. If the very best of men are not selected, the Scheme has very little chance of success. In this view, I remember that orders of the Rev Minister & Fin Minister had been obtained for the final selection of officers for districts. Some of them at least have to be taken in. All the 10 officers noted in para 3 above have been fairly good Revenue Officers but I would not consider them suitable as Development officers except perhaps Mr. Abdul Basith who may be posted to a district where he can use his influence.

As for the post of a District Excise officer for Mysore

Serial No.

any one of these officers could do. Perhaps the Excise Commr would be able to suggest a suitable officer. He may be consulted.

10. For the other place in the Secretariat, I consider Mr Rahamathulla, now S.D.O at Sakaleshpur would be a very happy selection. He is suitable for the place and shows plenty of promise.

" D.C. Bangalore desires that Mr V. Hanumanthappa may be posted as his PA when Mr Hiramaiya who is now Treasury officer retires, by posting Mr A K Subbarao to the Treasury. This was of course subject to Mr. Hanumanthappa getting a promotion.

NOTE—Contn. Sheet.

12 It is my considered opinion that if we should have any tangible results in the improvement of our villages and village community who are ignorant, lethargic and utterly indifferent towards any kind of improvement, it is very necessary that we should have experienced Sub Division Officers and more senior Officers as District Development Officers. But, it is not possible to have senior officers as almost all of them are working in the Food Department. I can also realise that it is not desirable to disturb many Sub Division Officers from their present charges. It is still possible to take some Sub Division Officers who have a real aptitude for this kind of work. I would, therefore, suggest that the following officers may be appointed as District Development Officers and posted to the districts noted against their names:

1) Mr. K. Seshagiri Rao, S.D.O., Kolar, as District Development Officer, Bangalore District.

2) Mr. V. Bhyrappa, S.D.O., Chickmagalur, as District Development Officer, Mandya District.

3) Mr. G.N. Puttanna, Labour Assistant Commissioner, Mysore, as District Development Officer, Mysore District.

4) Mr. Basith (Amildar - newly promoted as Assistant Commissioner) as District Development Officer, Hassan District.

5) Mr. K.S. Mallegowda, Amildar, (newly promoted as Assistant Commissioner) as District Development Officer, Kadur District.

6) Mr. R. Rangiah, Food Assistant to the Deputy Commissioner, Chitaldrug and now on leave, as District Development Officer, Shimoga District.

7) Mr. V. Hanumanthappa, Amildar, (newly promoted as Assistant Commissioner) as District Development Officer, Chitaldrug District.

NOTE—Contn. Sheet.

Serial No.

8) Mr. D.R. Channarudraiya, now working as District Development Officer, Bangalore District, to be posted as D.D. O., Tumkur District.

13 If for any reason one or two of the above officers cannot be spared, I would suggest Messrs. D.K. Srinivasachar, Assistant Secretary, who was till recently Secretary, Anti-corruption Measures & Investigation Committee and who is now on leave and Mr. M. Basappa, Amildar, now promoted as Assistant Commissioner, to be substituted in their places. In respect of Nos. 1, 2 and 3 suggested above, I have consulted the Law Minister and he has no objection for their being appointed as District Development Officers.

Dewan.

14 I have discussed the subject with the Hon'ble P.W.D. Minister. The Hon'ble P.W.D. has since suggested that R. Ranganath may be posted as D.D.O. Bangalore & K. Seshagiri Rao as D.D.O. Shimoga Dt. I have no objn to this or other proposals made by the Hon'ble P.W.D. for the postings of D.D.O.s.

15 As regards the Repr. of Scheduled Castes Sri Hanumaiah may be posted & as regards Scheduled Tribes Shamanna, Sri Malleshappa from Chickballapur may be posted.

The Hon'ble Purshaw prefer these appointments. As regards the remaining vacancies in divisions elsewhere the C.S. may put up proposals we could pass among the people available including Amildars recently promoted.

16 I have put up herewith a consolidated statement of proposals incorporating the arrangements already approved above, and suggesting for approval further postings (items 11 to 19 in the statement) for other vacant charges.

17 The following further points may be noted in this connection:--

(i) ~~In the Survey Department, there are two vacant~~ charges for which no separate officers have been posted. One is consequent on the withdrawal of Mr. Nazir Ahmed Meccai (Assistant Commissioner) from the Survey Department. The other is consequent on the retirement of Mr. C. Rajagopal, non-Civil Service Assistant Superintendent from 10th ~~December 1945. It is proposed to post Assistant~~ Commissioners in both these vacancies.

(ii) An Officer has to be posted to the charge of the Kolar District Treasury as Mr. S.M. Sitharamaiya has extended his leave. (A temporary vacancy).

~~(iii) A Probationary Assistant Commissioner (Mr.C.S.~~ Seshadri) has at present been posted to the charge of the Shimoga District Treasury, in the vacancy consequent on the appointment of Mr. M. S. Shankara Rao as whole-time Secretary of a Special Committee in connection with the Tunga Bhadra Project. (An acting Assistant Commissioner may now be posted to ~~the Shimoga District Treasury relieving the Pro-~~ bationary Assistant Commissioner).

(iv) Mr. Syed Abdul Rahmon who was till recently in the Food Department and is now on leave is due to return

from leave shortly and a place has to be found for him.

(v) It is not proposed to post another Assistant Commissioner to the Labour Department vice Mr. G.N. Puttanna, ~~as it is understood that in consequence~~ of the reorganisation of the Labour Department, it is separately proposed to send back Mr. Puttanna to the general line and absorb an officer of the Labour Department in the vacancy.

Urgent & Confl

The above circumstances have been taken into account the proposals now formulated and submitted for approval.
